

Curamericas Global Hispanic Community Outreach Intern

Reports to: Executive Director

Compensation: Unpaid

Length of Engagement: Jan 6 – May 8, 2020 (flexible start/end dates);

May – August for Summer placement

Minimum 15 hours/week, preference to 20+

Location: Raleigh, NC

Responsibilities: Curamericas Global, a non-profit dedicated to helping mothers and children in need around the world, seeks a Hispanic community outreach Intern at our Raleigh office. This intern will provide crucial assistance in the creating strong relationships with local Spanish and Latinx communities. The main purpose of this internship is to help Curamericas Global grow its supporter base through outreach to local Hispanic communities. This includes:

Outreach & Engagement (~90%)

- Use Spanish skills in health industry non-profit work
- Program analysis
- Data Analysis
- Interact with local Spanish population
- Spread awareness of Curamericas mission and work

Other tasks (~10%)

- General office admin and team assistance
- Professional development*

*Learning and networking opportunities include: USAID Global Health e-Learning courses, Triangle Global Health events, Care Group and CBIO learning materials.

Qualifications:

- College junior, senior, graduate student or recent graduate seeking degree in Hispanic language, literature and Spanish
- Strong communication skills (over the phone, face-to-face and email)
- Microsoft Office skills required
- A results-oriented person who is able to work independently
- Enthusiastic attitude and willing to do whatever is needed to help the team

Application Instructions:

Please send completed application, resume, and cover letter to info@curamericas.org.

Future Opportunities

Many interns have been promoted to Program Fellow or even hired as staff.
