

# JOIN US IN KENYA

Dates: January XX – XX, 202X or June XX – July XX, 202X

Impact Global Health Alliance leadership will provide strategic support to our program. Will you join us?

## Why Volunteer with us?

- Budget: approximately \$3,500 plus airfare \$1,500-\$2,000
- Optional 3–4-day Safari in Masai Masa National Reserve
- On-the-ground support from Impact Global Health Alliance
- Activities:
  - Immerse yourself in another culture.
  - Participate in meaningful work for a community in need and have a positive impact on the world.
  - Understand health inequities and the effect it has on vulnerable populations such as women/mothers and children.
  - Examine evidence-based practice and data collection techniques used in community healthcare settings worldwide.
  - Gain a deeper understanding of the importance of community health and the positive impact it has on a community.
  - Learn cultural competence directly from nurses in a different country.
  - Experience communicating with colleagues through language barriers.
  - Contrast the structure of a healthcare system from a different culture.
  - Explore the beauty and wilderness of Kenya through optional excursions, including visiting the famous Masai Mara Reserve.
