FISCAL YEAR 2006-2007

Annual Report

October 1, 2006 — September 30, 2007

May 15, 2008

Greetings to our Supporters:

Curamericas Global is celebrating its 25th year of services to children and families. We have received outstanding news that our efforts have been noted and applauded. In September, independent evaluators visited both our Bolivian and Guatemalan project sites and turned in a complimentary report to the United States Agency for International Development (USAID) officials. You can see more of that report in our March 2008 newsletter, *Grassroots*.

I am pleased to announce that Curamericas Global has been invited by the United Methodist Church's Board of Global Ministries to work with a hospital in Ganta, Liberia to offer hope to its devastated population of infants and mothers. The May *Grassroots* gives more information about this exciting step for our organization.

In addition, we are moving forward on a new project in Haiti, where we worked previously. As you know from recent news events, the country's population is in dire need and we are ready to provide much-needed child and maternal health services to alleviate suffering and illness.

Regardless of the project site worldwide, we remain steadfast in our goal of complete transparency so that our supporters are confident that their donation is directed to the area they desire. We deliberately keep our overhead low so that the emphasis remains on delivering life-saving health care to the thousands whom we serve in developing countries. We also remain committed to building relationships with you, our donors, so that the channel of communications is strengthened, and your faith in us remains steadfast.

Our approach to providing quality health care is making a huge impact, lives are being saved, and our work should and must continue. Your continued support is very much needed and appreciated. Please contact me if you have any questions about our remarkable organization.

Sincerely,

John Matheson, DDS
Chair, Board of Directors

CURAMERICAS GLOBAL EXPENSE ALLOCATION

Curamericas Global is proud of its affiliation with the Independent Charities of America, and is a member of the Combined Federal Campaign as well as Do Unto Others. Check our website, www.curamericas.org, for more information.

Thanks to our Volunteers!

Our volunteer program has mushroomed in the past year! We are grateful for the many volunteers across the country who have given their time and talents to benefit the thousands of children and families whom we serve at our project sites. We look forward to seeing them again on future trips! We welcome new volunteers to continue to strengthen our efforts to bring health care and health education to so many who need us. For more information about our volunteer program, contact Elizabeth Barricklow, International Volunteer Coordinator, at Elizabeth@curamericas.org or call toll-free at 1-877-510-4787.

Our volunteers treat patients, build new facilities, and make a lasting difference to the thousands of children and families at our project sites.
